Memorandum of Understanding between
Missouri Department of Health and Senior Services
and
Missouri Department of Social Services, MO HealthNet Division

1. Purpose:
1.1 This document constitutes a Memorandum of Understanding (MOU) between the Department of Social Services (DSS), Mo HealthNet Division (MHD) as the state Medicaid Agency and the Missouri Department of Health and Senior Services (DHSS) as the Missouri Tobacco Quitline Provider.

1.2 Missouri can claim Medicaid federal financial participation (FFP) for expenditures on its Quitline program in accordance with the applicable Centers for Medicare & Medicaid Services (CMS) guidelines. In order for Missouri to claim expenditures related to its Quitlines as administration at the fifty percent (50%) Federal Medicaid matching rate specified at 42 CFR 433.15(b)(7), its’ claims may not duplicate costs that have been, or should have been, paid through another source. Allowable costs must also be allocated in accordance with the relative benefits received by the Medicaid program.

1.3 The purpose of this MOU is to obtain Medicaid FFP for the Medicaid-allowable costs associated with the operation of the Missouri Tobacco Quitline operated by DHSS and utilized by Medicaid eligible participants.

2. Term of Agreement/Modifications
2.1 The agreement covers the period of July 1, 2015 through June 30, 2016, with the option of two (2) one-year renewals.

2.2 Any changes to this agreement must be by formal amendment reviewed, approved and signed by the duly authorized representatives of the parties. No other documents, including correspondence, acts and oral communications by or from any person, shall be construed as an amendment to the agreement.

2.3 Either party may terminate this agreement after providing a minimum of thirty (30) days written notice to the other party.

3. Responsibilities of Department of Health and Senior Services:
3.1 DHSS shall be responsible for:
   a. Contracting with an entity to operate as the Missouri Tobacco Quitline.
   b. Ensuring that the Missouri Tobacco Quitline follows the evidence-based protocols set forth in the Public Health Service Guidelines, May 2008.
   c. Providing the state match payments for the program-immediately and certifying that the state match is state general revenue or other non-federal dollars that are not used as match for any other federal reimbursement.
   d. Submitting invoices to DSS/MHD on a quarterly basis for reporting and transfer of federal reimbursement only.
   e. Maintaining documentation of actual costs, cost allocation, etc., to support all claims for reimbursement from Medicaid.
f. Providing access to supporting documentation for DSS/MHD, CMS or other representatives, to include but not limited to the state auditor, Centers for Disease Control and Prevention’s Office on Smoking and Health (those who provide funding or are responsible for assuring appropriate use of funding) for audit purposes.

g. Providing the full Missouri Tobacco Quitline dataset for Medicaid patients for data analysis purposes to DSS/MHD each quarter.

3.2 DHSS will ensure that claiming of FFP is based on Medicaid client utilization of Missouri Tobacco Quitline services, in accordance with the following:

a. As required in the DHSS Missouri Tobacco Quitline contract, the Missouri Tobacco Quitline provider will ask the caller if she/she has insurance. If the caller responds that he/she is a Medicaid client that status will be recorded as a Medicaid participant.

b. Pursuant to CMS guidelines (Informational Bulletin November 18, 2011), DHSS and the Missouri Tobacco Quitline will use the data obtained from the caller to determine that the caller is a Medicaid participant to the Missouri Tobacco Quitline.

c. DHSS will obtain Medicaid participant utilization data, registration and cessation counseling services provided, through the Missouri Tobacco Quitline contract.

d. DHSS will use the value of the cessation counseling services, based on the Missouri Tobacco Quitline contract cost per service, to prepare the DSS/MHD Invoice.

e. DHSS will use the percentage of Missouri Tobacco Quitline callers that are Medicaid participants to calculate the DSS/MHD cost of the administrative services, including performance of administrative activities for the Missouri Tobacco Quitline, outreach and evaluation of services to eligible Medicaid participants.

4. Responsibilities of Department of Social Services, MO HealthNet Division:

4.1 DSS/MHD is responsible for:

a. Reimbursing DHSS in a timely manner, through transfer of funds, for all allowable costs invoiced for the federal portion as described herein.

1) For purposes of this MOU “allowable costs” is defined as:

- Costs directly related to implementing and operating a tobacco cessation quitline and do not include costs related to tobacco cessation medications, either over-the-counter or prescription-based, that are dispensed through the quitline.

- Costs necessary for the “proper and efficient” administration of the State plan under 1903(a)(7) of the Social Security Act, including administration of services, outreach, and evaluation.

b. Should DSS/MHD choose to require collection of the Departmental Client Number (DCN) by the Missouri Tobacco Quitline provider, DSS/MHD will pay the cost to change the Missouri Tobacco Quitline provider’s data system, as CMS does not require verification.

5. Other Provisions:

5.1 HIPAA: The Department of Social Services is subject to and must comply with applicable provisions of the Health Insurance Portability and accountability Act of 1996 (HIPAA), as amended by the Health Information Technology for Economic and Clinical Health Act (HITECH)
(PL-111-5) (collectively, and hereinafter, HIPAA) and all regulations promulgated pursuant to authority granted therein.

a. The Department of Health and Senior Services shall be a “Business Associate” of DSS, as defined in the code of Federal Regulations (CFR) at 45 CFR 160.103, and shall comply with the provisions of the Business Associate Agreement attached hereto as Attachment A. For purposes of the Business Associate Agreement, the term “contractor” shall refer to the Department of Health and Senior Services.

5.2 Liability. In the event of non-performance of an obligation set out in this MOU by DHSS or its agents which results in the determination by federal authorities of noncompliance with federal regulations, to the extent permitted by law, DHSS will be liable to DSS/MHD in full for all penalties, sanctions and disallowances assessed against DSS/MHD.

5.3 Retention of Records. DHSS and DSS/MHD shall retain records related to this MOU for at least six (6) years after the date of service of medical assistance reimbursed by MHD under this MOU. For a period of six (6) years after the termination or expiration of this MOU, DHSS shall maintain, and shall cause its employees, directors, advisors and representatives to maintain, any confidential information in confidence using at least the same degree of care as it uses for its own confidential information.
