

Dear [insert supervisor name],

I am requesting your approval to become a Professional Member with SAMPE, the Society for the Advancement of Material and Process Engineering. SAMPE provides a great blend of education, innovations, technology solutions, and networking opportunities.

Benefits of becoming a SAMPE member:

- **SAMPE Industry Resource guide** – a global connection to professionals of the advanced materials community
- **SAMPE Membership Directory** – a tangible benefit that will allow us to save valuable time and facilitate the start of great professional relationships
- **SAMPE Digital Library** – instant access to thousands of technical research papers on an array of different industry topics
- **SAMPE Journal** – Monthly subscription filled with technical articles, industry and international technical news
- **Event Discounts** –
 - [SAMPE Conference & Exhibition](#) – the only technical conference and exhibition exclusively dedicated to advanced materials and processes
 - [CAMX Conference & Exhibition](#) – the largest, most comprehensive composites and advanced materials event in North America
 - [SAMPE Workshops and Seminars](#) – available to members looking for hands on education of advanced materials and processes
- **Local Chapter Membership** – a networking opportunity to connect with others in your community; attend events and meetings to hear from local experts

The cost for this membership is \$122 USD for the first year, and then \$102 USD every year afterward.

I think you'll agree that this is a small investment when we consider the value we will receive from using this information to stay current in our field. Thank you for your consideration and support of my professional development – I look forward to hearing from you!

Best Regards,
