Strategic Focus Areas and Objectives
I. Membership:
Expand membership by increasing engagement

II. License Portability:
Facilitate licensure portability by identifying commonalities and differences among agency requirements and expanding the classifications of national exams offered by NASCLA

III. Regulatory Re-Assessment:
Perform internal assessments to reduce barriers for licensure and to identify commonalities between jurisdictions for the benefits of licensees and applicants

IV. Best Practices & Innovation:
Develop consumer awareness with technology to support innovative practices for the construction industry.

IV. Communications and Outreach:
Facilitate communication between members and promote consumer awareness to increase NASCLA’s visibility

2021 – 2023 Strategies
1. Modify the NASCLA business model to increase membership of states and contractors (Assigned to NASCLA Membership Committee)
2. Develop new examination classifications for the NASCLA accredited examination program to ease the burden of licensure processes for contractor mobility (Assigned to NASCLA Examination Committee)
3. Review/create model classifications to ease mobility (Assigned to NASCLA Model Legislation Committee)
4. Establish a reciprocity forum at annual convention to help facilitate agreements among licensing boards. (Assigned to NASCLA Model Legislation Committee)

1. Develop self assessment tool for agencies to use to review their processes to identify unnecessary barriers to licensure (Assigned to NASCLA Model Legislation Committee)
2. Create a consumer awareness tool for public protection, national partnership opportunities, national PSA’s etc. to promote consumer awareness & public protection (Assigned to NASCLA Contractors Committees)

1. Develop best practices on consumer awareness, workforce shortage, etc. (Assigned to NASCLA Executive Committee (with sub-committees))
2. Expand remote virtual opportunities, board member training, investigator training, ZOOM training education (Assigned to NASCLA Programs Task Force)
