

## Re-Occupying Roundtable Chat Log – June 17, 2020

- 14:05:22 Dan Burgoyne (CA): Same in CA elevators
- 14:07:27 Lauren Buckler (MD): mandatory masks in MD buildings but no enforcement
- 14:07:30 Dan Burgoyne (CA): In CA, masks are required entering and leaving building. Once in cubicles, they are optional.
- 14:08:06 Mary Waldrop (MN): MN masks required in common areas not in office or cube.
- 14:08:48 Dan Burgoyne (CA): barriers at public counters in CA
- 14:22:58 Bert Jones (VA): That is what paper towels are for.
- 14:23:14 Doug Moore (CT): Bert can i borrow some paper towels?
- 14:23:19 Carol O'Shea (CT): we are leaving as many doors open as possible
- 14:24:22 Kelly Berard (ID): We are also leaving as many doors open as possible or removing them in their entirety
- 14:26:07 Steve Haass (DE): DeIDOT has installed StepnPull on all inswing restroom doors. we are also going with sensory, paper towel and soap dispensers
- 14:26:51 Nikki Simon : To those leaving doors open or removing doors, how are you handling potential security issues that come with that? Are these internal doors?
- 14:27:07 Randy Gengler (OR): A local architectural firm in Portland OR created a really good guide showing existing conditions then re-imagined options to deal with COVID and future teleworking conditions. It is worth checking out. <http://mcknze.com/covid-19-design-guide>
- 14:29:05 Jeffrey Whitehead (Wash State Enterprise Services): Here is the link to the step n pull rom Amazon. - 14:33:45 Bert Jones (VA): We are requiring our students, faculty and staff to self monitor and affirm when arriving that they are healthy.
- 14:34:24 Mary Waldrop (MN): MN On line screening tool to be implemented this week. Employee sent home immediately if they develop a temperature.
- 14:35:07 Greg Melton (WV): WV is bringing workers back to office buildings. Each agency required to screen their own folks (standard questions and a temp check).
- 14:36:37 Lauren Buckler (MD): In MD the bldgs with temp checks are visitors in the thousands
- 14:38:02 Greg Melton (WV): In WV it's agency by agency on specifics of screening. My agency will not be recording employee temps or other PII. Thus not tracking.
- 14:38:25 Kelly Berard (ID): Internal
- 14:38:35 Doug Moore (CT): CT is internal doors open
- 14:45:15 Stan Linnell (MN): If recording medical data, consider data practices - how long you need to save data.
