

Sophia F. Dziegielewski, Ph.D., LCSW
School of Social Work, University of Central Florida

Sophia F. Dziegielewski, referred to as “Dr. D.” is a Professor in the School of Social Work at the University of Central Florida (UCF) in Orlando. Throughout her academic, administrative and practice career she has been active in mental health practice and research maintaining her license and serving as an expert witness in the courts. Also considered an expert in social worker licensure she created and implemented a highly acclaimed Social Work License Exam Preparation Course that has currently helped over 18,000 social workers all across the US to successfully pass their exams. She is the recipient of numerous awards, and supports her research and practice activity with over 140 publications, including 8 textbooks, 85 articles, numerous book chapters and hundreds of workshops and community presentations. In 2016 she received the “Educator of the Year Award” from the NASW-Florida Chapter.
