Here's what Avera employee, Blair Sedlacek says about the License Prep Training:

"My anxiety was running high since I hadn't worked in a mental health setting for a few years and so I signed up for Dr. Dziegielewski's social work license exam preparation course last year in Omaha. After two days with Dr. 'D', I walked away with a variety of study tips, books, and a CD which helped me study despite my busy schedule. Dr. 'D's' course is like grad school crammed into a weekend and I'd recommend any social worker go and get refreshed even if you're not taking the exam. I'm happy to report that I passed the South Dakota CSW-PIP exam in August 2014 on the first try and I owe it to Dr. 'D' and her course!"
