National Association of Social Workers

Dear Sponsors, Exhibitors, and Advertisers:

The NASW-South Dakota Chapter urges you to consider becoming a sponsor of our professional association. Sponsorship is not a one time commitment for your organization at our annual conference. Your support of this professional association has the potential of keeping your organization's name visible all year long to social workers throughout the state. Depending on your level of support, you have the potential to have ongoing visibility in our e-newsletter which is published quarterly and posted on our website. You could even benefit from the web ad visibility on our website.

As you are aware, the National Association of Social Workers, NASW, is the largest organization of professional social workers, with over 125,000 members nationwide. Of these, over 350 are members of the South Dakota Chapter. Many people do not realize that many of the state's mental health services are provided by social workers. Even more do not know that social workers are found in hospitals, social service agencies, home health agencies, courts, schools, the military and corporations. It is a profession that prides itself in standing up for others.

In the spring of each year, the South Dakota Chapter hosts its annual conference. For the past several years we have had nearly 200 participants and we look forward to as large a crowd this year at our conference scheduled for Thursday & Friday, March 14 & 15, 2019 in Sioux Falls (**Exhibitors only attend on Thursday**). We are really excited to be hosting the event again at the beautiful, high tech, Sioux Falls Convention Center!

Our conference committee works all year to ensure the quality event that our participants have come to expect. We offer workshops targeted to social workers and other human-service professionals in a wide variety of practice areas including addiction, administration/management, aging, children and families, corrections and forensics, employee assistance, health, public and private mental health, research/policy and school social work. The support of our sponsors, exhibitors, and advertisers is crucial to maintaining the high quality of our annual meeting.

The various levels of sponsorship opportunities and rates for exhibitors and advertisers are described in this brochure. Please contact me at the NASW-South Dakota Chapter office if you have any questions.

We encourage and solicit your favorable consideration of sponsorship of the largest social work professional organization in South Dakota and we hope to hear from you soon.

Sincerely,

Terry Werner
Executive Director
