So why should I join?

**NASW-MN is the voice for advancing the Social Work profession and the clients we serve**

NASW-MN is the primary voice promoting our profession in the state.
- Advancing the authority and credibility of Social Work
- Assisting the public in understanding who we are and what we do
- Crafting public responses to critical events regarding social work issues

**NASW-MN advocates for social justice.**
- Addressing social and economic injustice, marginalization of groups, and inequalities
- Keeping members informed of important issues in public policy
- Encouraging activism and political involvement

**NASW-MN is a membership organization addressing our tangible professional needs.**
- Maintaining professional standards and advocating for licensure and pay equity
- Providing opportunities for professional development and leadership
- Offering affordable and quality continuing education at reduced rates
- Advancing your career with resources and Practice updates
- Providing access to liability insurance at discounted rates
- Enhancing communication and support between members

**NASW-MN supports the integrated identity of Social Work.**
- Addressing systemic issues that often compel persons to seek services in the first place.

**NASW-MN provides opportunities for engagement and networking between members.**

**NASW membership is two for one** – you receive the benefits of National NASW’s resources and advocacy in Washington DC, at the same time as receiving Minnesota’s NASW benefits and activism.
