

Food For Thought

According to Goldrick-Rab, Richardson, Schneider, Hernandez & Cady, 2018:

36% of University Students Nationwide report experiencing food insecurity at some point in their college education.

Over **1500 pounds** of food have been distributed to students in our OU community experiencing food insecurity

AND

Over **1000 pounds** have been donated to the pantry from students, faculty, staff, alumni, and community partners.
