Indiana Emergency Rental Assistance Program (IERA)

The Indiana Emergency Rental Assistance Program is currently accepting applications from Indiana renters who are behind on their rent and/or utility payments. Eligible Hoosiers can receive up to 12 months of assistance in past-due and forward-facing rent and past-due utilities, which includes electric, gas, water/wastewater, and bulk fuel. To qualify for assistance, a household must meet three criteria - be at or below 80% of the area median income, have been financially impacted by COVID-19, and be at risk of homelessness or housing instability.

Renters experiencing a hardship are encouraged to apply for assistance at www.IndianaHousingNow.org or by calling 2-1-1.

Applications are available in English and Spanish.

Additional information about the program or other housing-related assistance provided by the Indiana Housing and Community Development Authority (IHCDA) can be found here.

ASKED:
National Association of Social Workers
INDIANA CHAPTER
What is the most important aspect of the work you do?
"The most important aspect in the work that I do as a social worker is planting a seed. I may not see it grow, or even sprout... but it's there. Someday it will be used, and to me that is enough to keep giving back and doing the work that I do every day."
