Virtual Conference

Earn 5.5 CEUs!
Thursday, June 16th (8:30 - 3:40pm EST)

This year’s conference will provide an opportunity for social workers, especially those working with older adults and in older adult congregate settings, to learn about equitable practices when working with residents, families, and staff regarding differences in culture, race, religion, impairment, LGBTQ+, etc.

Join keynote speaker, Dr. Macie P. Smith, on “Diversity, Equity, Inclusion & Opportunity in Long-Term Care Settings” to learn about being as diverse, equitable, and inclusive as possible, while welcoming the opportunity to practice person-centered care. The keynote session will be followed by a two-hour panel discussion on the experiences and issues residents, families, and staff encounter when working in nursing homes and other older adult congregate settings, with speakers Julie Sahlings, LICSW, and Mary Ellen Hopkins, LCSW.

Online registrations are closing on Tuesday, June 14!
