Check out these resources and events we found just for YOU! Thank you for your NASW membership!

E-newSWire for March 14, 2017

How are we doing? Please take the NASW-NC Member Survey

We want to hear from you! Please take the 15-minute anonymous NASW-NC Member Survey and provide us with your valuable feedback.

Your response will help shape current and future member benefits provided by NASW-NC!

You can also enter a drawing to win a $50 Visa gift card. Please submit your contact information at the end of the survey to enter.

If you have any questions regarding this questionnaire, please contact Valerie Arendt at 919-828-9650 or membership@naswnc.org.

Review Proposed Changes to NASW Code of Ethics

The National NASW Board of Directors has approved two more items as part of the normal agenda of the 2017 Delegate Assembly process:

- Proposed Program Priority Goals
- Proposed changes to the NASW Code of Ethics.

Both will be available on the Delegate Assembly website for your review and comment until the culminating meeting of the Delegate Assembly on August 4, 2017.

You will need to log in to the NASW website to view these proposed changes.

TOMORROW: FREE Ethics CE!

The Ethics of Money in the Lives of Social Workers and their Clients

Free Members-Only Webinar!

12:00pm
March 15, 2017
1 hour of Ethics CE

Register at http://www.naswnc.org/events/ethics-of-money

Money problems jeopardize the mental, emotional, physical and financial health of all who confront them. This session will connect social work ethics to financial well-being and demonstrate how financial wellness benefits social workers personally and professionally and positively impacts all client work.
This webinar is LIVE and will count as in-person CE! Register today!

LCSW Exam Prep Session registration is OPEN!

April 22, 2017

This training is designed for anyone seeking to prepare for the ASWB clinical social work license exam. We will explore alternative learning styles that incorporate experiential components as well as a combination of partner, small group, and large group activities. We will review helpful practice test questions including actual questions designed by ASWB.
NASW Cyber Liability Protection

What if your client’s data is copied or stolen?

You could be sued for a data breach, and be subject to state and federal fines and penalties up to $250,000! Your clients can also sue you for damages of $25,000. Plus you even risk jail time of 10 years.

Cyper Liability Insurance in a realm if you keep your client data on your computer, your cell phone, or your office files. Even if you use a consultant, or rent an on-site storage provider, you can be held responsible for data breaches caused by them. A data breach or security breach occurs when someone steals data in your office, computer, or terminal, either in the day or in different location.

It’s affordable, and easy to enroll. Call 888.278.0038 or go to www.naswinsurance.com
