HOLLY HILL HOSPITAL

Holly Hill Hospital offers compassionate mental health programs for children, young adults, adults and older adults, as well as addiction treatment services and Electroconvulsive Therapy (ECT).* The goal of our experienced staff is to help individuals return to a healthier life with evidence-based treatment, while promoting strong communications with their families and support systems.

In our inpatient programs, patients work closely with their treatment team in a group setting to identify triggers, establish coping skills and create a strong plan for continued success post-discharge.

Advancing EQUITY | Transforming SYSTEMS | Improving LIVES
Relay Conference Captioning (RCC) is a no-cost service available to North Carolina residents who are Deaf, Hard of Hearing or with Speech Disability and actively participate in multiparty teleconference calls or webinars by reading live captions via a web browser on a computer, tablet or mobile phone.

To request an RCC event, go to tmobileaccess.com/northcarolina

RCC Benefits

- High-quality captioners
- Ability to save, email or print transcripts
- Adjustable font size/color and background screen
- SSL Encryption included

Features of RCC

**Option 1: Standard RCC**

1. Capturer listens and transcribes conference call.
2. RCC participant using a computer monitor, tablet or mobile phone reads the captioned conference call.
3. RCC participant who prefers to TYPE. The RCC participant types (3t) comments or questions and sends via “Message Capturer” Capturer (3t) reads aloud the RCC participant’s comments or questions to conference call participants.
4. RCC participant who prefers to SPEAK. The RCC participant speaks directly to conference call participants via the same conference bridge used by the capturer.

**Option 2: Embedded RCC**

Embedded RCC is a feature that provides live streaming captions for spoken dialogue in web conferencing meetings and webinars. This service allows RCC participants to watch captions on the same screen in select popular web conferencing and webinar platforms.

*Embedded captions are not available on all web conferencing and webinar platforms.

**Powerpoint Slide**

**Live Streaming Captions via Webinar**

**Option 3: Mobile RCC**

RCC is available for a mobile phone when RCC participants are on the go!

How to access the RCC site using mobile phone?
- Tap the RCC confirmation link in your email
- Enter your name
- Tap Continue to read captions

Data charges may apply.

Features of RCC

Hours of Operation

- Relay Conference Captioning service is available:
  - Monday – Friday: 8 a.m. to 8 p.m.
  - Saturday: 8 a.m. to 2 p.m.

RCC Support

- Scheduling or Technical Support: 24 hours a day/7 days a week.
  - 833-250-2784
  - captioning@t-mobile.com

**NOTE:**

Make reservations at least 48 hours (two business days) in advance to guarantee service. Cancellations are required 24 hours prior the scheduled event.

Trainings & Webinars Available

Webinars, trainings, or support are available on how to use RCC virtually or in-person.

STS North Carolina for Speech Disability
nc-sts.com

---

**Speech-to-Speech (STS)**

**711 or 877-735-8261**

STS allows the Relay Operator to re-voice (repeat) what people with a speech disability say during phone conversations through the relay service.
nc-sts.com/speech-to-speech

**How does STS Relay work?**

1. The STS user speaks directly to the other caller.
2. The Relay Operator repeats the STS user’s spoken words if needed.
3. The other caller talks directly to the STS user.

---

**Need Special Equipment?**

Equipment Distribution Services (EDS), operated by the North Carolina Division of Services for the Deaf and Hard of Hearing (DSHH), provides specialized telecommunication devices to North Carolinians to communicate due to speech disabilities. For more information about the equipment distribution services, visit the STS NC EDS website:
nc-sts.com/equipment-distribution

---

**911 Emergency Calls**

In the event of an emergency, dial 911 directly using any phone, including a TTY or VCO phone. You may use any relay services to call 911, but that will not be as fast as dialing 911 directly.

Be prepared to provide your full name, phone number, location and description of emergency.

*For HCO users, inform 911 that you are a HCO user.

---

**Hearing Carry-Over (HCO)**

**711 or 800-735-2962**

HCO allows people who are unable to speak to type their words on a TTY for the Relay Operator who reads aloud to another party.
nc-sts.com/hearing-carry-over

**How does HCO Relay work?**

1. The HCO user types to the Relay Operator.
2. The Relay Operator reads aloud the typed message to the other caller.
3. The other caller talks directly to the HCO user.

---

**STS Call Setup**

The STS Call Setup feature makes it easier for callers with a speech disability.

In order to speed up the setup of the call, STS NC now offers STS Call Setup.

People with a speech disability can e-mail call instructions or information 2 to 24 hours prior to the call. This can include information such as the number to be dialed, the name of the person being called, any special instructions and the nature of the call, or anything that makes it easier for STS callers to complete the call.

To learn, visit tmobilests.com/call-setup.
