

The NASW-NYC Nominations Committee Seeks Recommendations for Chapter Elections – Spring 2019

The Chapter's Committee on Nominations and Leadership Identification has requested that members begin to make nominations now. The basic requirement for being nominated is current membership in NASW. NASW-NYC policy for President-Elect is that a member has served on the chapter Board of Directors.

In keeping with NASW's Affirmative Action policy, Chapter leadership must proportionally reflect the number of women (79%) and people of color (19%) in the organization's overall membership. NASW recognizes the following groups in its Affirmative Action policy: American Indian/Native Americans; Asian Americans/Pacific Islanders; Blacks and Latinos. The Chapter will also consider sexual orientation as part of its affirmative action goals.

The Committee will accept recommendations until the end of December (or beyond if positions are not filled). Please use this form to make your recommendations. If you would like details regarding the duties and responsibilities of the respective positions, please call Kelly Moskos at (212) 668-0050, ext. 222.
