LCSW Social Worker – Full time position – Service Program for Older People

The Service Program for Older People, Inc, (SPOP) is an innovative geriatric behavioral health agency located in Manhattan. As part of a new partnership with New York Presbyterian Health System, we are seeking a full time Clinical Social Worker to provide psychotherapeutic services and mental health assessments in our Upper Westside Clinic, as well as in patients' homes. SPOP is an inclusive and welcoming place to work, offering Excellent supervision, competitive salary including a one-time signing bonus and generous benefits.

Requirements: Qualified applicants are required to have an LCSW and Bilingual Spanish language skills. Experience with an older adult population and MICA clients desired. Candidates should have strong clinical skills as well as experience with using an electronic health record and facilitating groups.

Send resume and cover letter to:  
Barbara Rothbart , LCSW  
Senior VP for Clinic Services
