LCSW Social Worker – (3) Full time positions available: Service Program for Older People

Service Program for Older People, Inc. (SPOP) is an innovative behavioral health agency located in Manhattan. SPOP is an inclusive and welcoming place to work, offering excellent supervision, competitive salary and a generous benefits package. Service Program for Older People is the recipient of the **2018 Joan H. Tisch Community Health Prize** and the **2017 American Psychiatric Association Community Gold Award**. SPOP is an equal opportunity and affirmative action employer committed to assembling a diverse, broadly trained staff. Women, minorities, people with disabilities and veterans are strongly encouraged to apply.

We are seeking qualified applicants for (3) full time LCSW social worker positions to provide psychotherapy for clients. All applicants are required to have an LCSW. Experience working with older adults and substance use disorders desired. Candidates should have strong clinical skills as well as proficiency with an electronic health record.
