### **Social Work Career Specialist Position**

**Concerned Home Managers for the Elderly (COHME)** is a licensed home care agency in operation since 1984 providing home health aides to elders in their homes with a mission focused on providing excellent care to seniors and support to the home health aides. The agency is a small non-profit that was started by a social worker and has an emphasis on the psychosocial needs of both the clients and the home health aides.

COHME, Inc. (Concerned Home Managers for the Elderly) currently seeks a Social Work Career Specialist for part time 2 days per week.

Responsibilities entail:

- Social work assistance to provide information and referrals to the home health aide staff as well as counseling to secure benefits such as subsidized housing, immigration services, child care arrangements and other health and social services they and/or their families may need.
- Assist in the application process for programs to further their education and career advancement
- Recruitment of home health aide candidates, including networking with various agency/employer resources and attending job fairs

### Qualifications

BSW or similar degree preferred as well as marketing experience. Please contact Laura Radensky LCSW Executive Director if interested at [l.radensky@cohme.org](mailto:l.radensky@cohme.org).
