About Urban Health Plan:

At Urban Health Plan (UHP) our mission is to continuously improve the health of communities and the quality of life of the people we serve by providing affordable, comprehensive, quality, primary and specialty health care and by assuring the performance and advancement of innovative best practices. At UHP, our commitment to provide patient-centered, holistic, quality health care, is part of a tradition started by our founder, Dr. Richard Izquierdo, more than 40 years ago. That tradition continues today by promoting excellence in everything that we do.

Working in our Federally Qualified Health Centers, Licensed Social Workers at Urban Health Plan have the opportunity to make a direct impact on the health and wellness of patients in the following settings:

- **Mental Health (Article-31 Mental Health Clinic)**
- **Behavioral Health (Adults and Children)**
- **School-Based Health (Middle School and High School)**

Our LCSW Associates have a passion and commitment to community health care and are responsible for:

- Providing bio-psychosocial assessments and clinical diagnostic assessments.
- Conducting individual psychotherapy.
- Crisis intervention.
- Providing consultation to medical providers.
- Participating in clinical team meetings.

To Qualify:

- MSW and NYS Licensed LCSW is required.
- Bilingual Spanish/English is required.
- 1-3 years of previous experience working in a healthcare or social work setting.
