

OUTPATIENT CHILD AND ADOLESCENT SOCIAL WORKER

Maimonides Medical Center is an award winning full service academic medical center serving the health care needs of the 2.6 million residents of Brooklyn – New York City’s most populous borough.

At Maimonides Community Mental Health Center, you will join a team of dedicated professionals engaged in the rewarding work of providing compassionate care to a diverse population. We seek qualified LMSW or LCSW candidates for full-time outpatient role serving children and adolescents.

Qualified candidates will have at least 1 year of direct experience providing outpatient mental health services and possess Spanish language proficiency. The ideal candidate will have experience in Trauma Based Focus Therapy and DBT/CBT.

We are also an approved site for NYS social work continuing education credits.

Interested applicant should send their CV to Michele Kerner mkerner@maimonidesmed.org
