What are social workers earning in Ohio?

NASW has a salary calculator that utilizes PayScale data: <http://workforce.socialworkers.org/calc.asp>. The calculator can determine base average salaries and also calculate salaries that include years of experience and education.

These are a few average salaries in Ohio from this website. These calculations do not contain any information on education or years of experience. It is helpful to enter the job title of the specific job listing you have or are applying for.

Search for 'Social Worker'

In Columbus, OH the median salary range is \$33,754–\$48,601 (As an example for how entering more data works into the calculator, if you enter that you have five years of experience and a MSW the median range is \$42,000).

In Cincinnati, OH—Median salary range, \$34,206–\$49,142

In Cleveland, OH—Median salary range, \$33,749–\$48,728

Search for 'Mental health supervisor'

In Columbus, Cleveland and Cincinnati, OH—Median salary range, \$35,190–\$51,735
