Waiver, Release and Indemnity to CVTS of NAVTA

We, the Organizing Committee of _________________________, hereby submit a petition to the Committee for Veterinary Technician Specialties, hereafter referred to as CVTS, of the National Association of Veterinary Technicians of America, hereafter referred to as NAVTA, for consideration of recognition in accordance with the CVTS guidelines as set forth by NAVTA.

We agree that prior to or subsequent to recognition, CVTS may investigate the standing of the members of the organizing committee of the petitioning academy as technicians, including their reputation for complying with the standards of ethics of the profession and their work history duties. We understand that, upon submission, all parts of this petition become the property of NAVTA. All petitions will remain confidential within the parties of the NAVTA and its committees.

We agree to abide by the decisions of CVTS and thereby voluntarily release, discharge, waive and relinquish any and all actions or causes of actions against CVTS & NAVTA and each and all of its members, regents, officers and assigns from and against any liability whatsoever in respect of any decisions or acts that they may make in connection with this petition, the granting or issuance, or failure thereof, of any recognition, except as specifically provided by the Guidelines or Constitution and Bylaws of CVTS and NAVTA. We agree to exempt and relieve, defend and indemnify, and hold harmless the CVTS and NAVTA and each and all of its members, directors, officers and assigns against any and all claims, demands and/or proceedings, including court costs and attorney’s fees, brought by or prosecuted for our benefit, extended to all claims of every kind and nature whatsoever whether known or unknown at this time. I further agree that recognition which may be granted or issued to us shall be and remain the property of NAVTA.

We certify that all parties are acting in good faith and as such if a matter of concern is brought to the attention of CVTS or NAVTA following the granting of recognition that CVTS reserves the right to investigate and/or revise its original decision. This includes inadvertent or purposeful errors of omission, inaccuracies or any policy or procedure that is in direct or indirect opposition to the guidelines of CVTS.

We certify that all information provided by us on the petition is true and correct. We acknowledge that we have read, understand and agree to abide by the above paragraphs.
