

Hill's Pet Nutrition **voluntary recall of certain types of Hill's Pet Nutrition canned dog food** due to potentially elevated levels of Vitamin D. **No dry foods, cat foods, or treats are affected.**

Hill's Pet Nutrition learned of the potential for elevated vitamin D levels in some of its canned dog foods after receiving a complaint in the United States about a dog exhibiting signs of elevated vitamin D levels. An investigation by Hill's confirmed elevated levels of vitamin D due to a supplier error.

The affected canned dog foods were distributed through retail pet stores and veterinary clinics nationwide in the United States, and the specific affected products with their SKU and lot/date codes are provided in the list below.

Pet owners who purchased products with the specific lot/date codes listed should discontinue feeding and dispose of those products immediately. Hill's will replace discarded products at no cost and those seeking product replacements may contact Hill's via their website or at 1-800-445-5777.
