

BENEFITS OF NAXSA MEMBERSHIP

- We help you build relationships with similar shoring rental companies, government officials and regulators, suppliers, and other industry stakeholders.
- We help you provide your employees with a standardized training curriculum delivered by qualified instructors.
- We help you develop and implement engineering best practices.
- We help by providing products and services that promote safe excavation shoring practices.

MEMBERSHIP TYPES AND DUES

Regular Member: A company (US/Canada/Mexico) that is engaged in the manufacture, rental, or sales and distribution of excavation shoring equipment. Examples: manufacturers, sales and distribution, equipment rental.

Associate Member: A company that supplies regular members with products or materials. Examples: product suppliers, material suppliers, other suppliers.

Industry Affiliate Member: An individual or company that supplies regular members or associate members with professional services such as engineering, consulting, accounting, or insurance. Examples: engineering firms, consulting firms, accounting firms, insurance firms, OSHA legal advisors, other service providers.

Government Agency Member: An individual who is employed by an agency that oversees, directs, or has responsibility for regulations and/or field installation of excavation shoring operations in North America. Examples: federal, state, county, city, OSHA, other regulatory, DOT, universities/colleges, municipal utilities.

Continuing Member: An individual or company that has extensive background in the excavation shoring industry but does not qualify for any of the above categories and is approved by the board of directors. Examples: retired industry participants, contractors, safety officers, private instructors.

**Dues are based on annual revenues from the excavation shoring industry. Dues payments may be deductible as a business expense; however, dues are not deductible as charitable expenses for federal income tax purposes.*
