

**NEWS RELEASE:**

Meever USA is proud to announce the newest addition to the Meever USA marketing team. The Meever Beaver joins our team as an expert in civil and marine construction. The Meever Beaver will assist Meever USA in distributing a full line of steel piling products. Including new & used steel sheet pile, H-pile, Pipe pile, and Hydraulic bracing systems.

Also, look for the new Meever Beaver coloring book. The new Meever Beaver coloring book is designed for the children and grandchildren of parents in the Pile driving industry to teach them about pile and pile driving.
