

Pacific Shoring Products, LLC honored as Inc. Magazine Unveils Its 39th Annual List of America’s Fastest-Growing Private Companies—the Inc. 5000

SANTA ROSA, CA, Aug. 14, 2020 – *Inc.* magazine this week revealed that Pacific Shoring Products ranked No. 67 in the Manufacturing Industry segment and is No. 2,551 overall, on its 39th annual Inc. 5000 list, **the most prestigious ranking of the nation’s fastest-growing private companies.** It is a benchmark of excellence to be honored within this elite list representing the most successful companies within the American economy’s most enterprising sector—its independent businesses.

Some of the most successful companies to date, were initially recognized nationally by qualifying as honorees on the Inc. 5000 list; Intuit, Zappos, Microsoft, Dell, Yelp, Zillow, Domino’s Pizza, LinkedIn, Under Armour, all at one point in their rising trajectory, fulfilled the template--the blueprint--to meet the Inc. 5000 list and methodology criteria.

“Pacific Shoring Products inclusion in this prestigious list is a testament to our loyal customers, our products that enhance construction job site safety and our dedicated team of industry experts. We are also a prominent and innovative manufacturing operation that has unlimited creative and growth potential within the trench safety and shoring industry,” said Bruce Russell, CEO of Pacific Shoring Products. “Given our drive and dedication toward customer service, our best in class lead times, industry changing technology and new, customizable products—it is with pride that we celebrate this award as we continue our quest to deliver knowledge, product, service and solutions to our industry.”

ABOUT PACIFIC SHORING PRODUCTS—QUALITY DRIVEN, LEAD TIME FOCUSED

Pacific Shoring Products specializes in quick-turn, on-demand, and manufacturing. Offering standard and customizable trench safety equipment. They are an express manufacturer with customer service and education at their core. The company designs, builds and tests all its products at its manufacturing plant in Santa Rosa, California and has a distribution center in Memphis, TN.
