**SUNBELT RENTALS PARTNERS WITH MARINE CORPS MARATHON**

FORT MILL, SC, September 15, 2020 – Sunbelt Rentals is proud to announce its partnership with the 2020 Marine Corps Marathon (MCM). The MCM, also known as “The People’s Marathon,” is celebrating its 45<sup>th</sup> anniversary. Sunbelt Rentals will have several team members, including veteran employees, family members, and those running to honor a veteran, participating in the now-virtual race between September 27 and November 10.

“We are excited to be a part of this important event and share the commitment of Sunbelt Rentals in supporting our veteran employees,” said Shane McKenzie, director, Veterans Programs, Sunbelt Rentals. “Our team members make Sunbelt Rentals successful, and we want our company to be a place where veterans can find careers that leverage their leadership, work ethic, training, and education.”

The Sunbelt Rentals Veterans Program is designed to improve support for military veteran team members and their families. It is built on the foundation of resources, recruitment, recognition, and retention. That includes offering job aids and resource groups, strategic partnerships, mentors, and more to ensure the success of veteran team members.

Jeff Alberts, branch manager, Sunbelt Rentals said, “As a veteran, I am honored to participate in the MCM this year. It gives me time to reflect on those who have given the ultimate sacrifice for this country, especially the soldiers I served with in conflict. The fact that Sunbelt Rentals supports the MCM shows their commitment to the veteran community and the value they see in the technical expertise of their veteran employees.”

The MCM was established to promote physical fitness and generate community goodwill, while also showcasing the high standards and discipline of the United States Marine Corps.

Entries are still available for the 45th MCM, MCM50K, MCM10K and Semper Fun Mile. In addition to marking its 45th anniversary, this year’s MCM commemorates the 75th anniversary of the Battle of Iwo Jima by featuring actual volcanic ash collected at that site within the event medal.
