PARTNERSHIP AT ITS STRONGEST

A Certified Commercial Investment Member (CCIM) is the recognized expert in the industry of commercial and investment real estate.

The CCIM membership network includes brokers, leasing professionals, investment counselors, asset managers, appraisers, corporate real estate executives, property managers, developers, institutional investors, commercial lenders, attorneys, bankers and other allied professionals.

Through this business network, CCIM members successfully complete thousands of transactions annually, representing more than \$200 billion in value. Only 13,000 commercial real estate practitioners across the globe hold the CCIM designation, which reflects both the caliber of the program, but also why it is one of the most coveted and respected designations in the industry.

Regions and chapters, such as the NC-CCIM Chapter, provide opportunities to promote business and attain educational goals through local and regional forums and meetings. In 2018 NC-CCIM held over 60 chapter programs and events. The 2018 Market Forecasts brought in approximately 700 attendees. Partner company names, logos and links are displayed at all events, on our web site, and in our weekly e-mail blasts. We are one of the largest chapters in the country, with over 600 members, and are consistently listed in the Top 5 "Tier 1" chapters, as recognized by the CCIM Institute.
