Add Schools: Onboarding

When the student starts a 2026–27 FAFSA® correction, they are taken through the FAFSA correction onboarding process. A correction should only be submitted if critical information was missing, the form contains incorrect information, the student needs to update the selected school(s), and/or a financial aid administrator requested a correction. The student selects "Add or Remove Schools" to begin the correction.

The screenshot shows the FAFSA 2026-27 onboarding screen for correcting a form. At the top left is the FAFSA logo with 'FORM 2026-27' next to it. A blue banner across the top reads 'Correct Your FAFSA® Form Before You Start'. Below this, a light blue box contains the text: 'If you made a mistake reporting information on the FAFSA form, you'll need to make a correction. Be ready with your personal information and any documents you may need.' Underneath, three green arrows point to three columns of text: 'Only update fields that are incorrect.', 'Based on the corrections you make, your eligibility for federal student aid and/or the estimated aid amounts may change.', and 'After you submit your correction, your school may reach out to you for more information.' At the bottom, there are two buttons: a light blue 'Cancel' button on the left and a dark blue 'Add or Remove Schools' button on the right.

Add Schools: Selected Colleges and Career Schools

The student can view which college(s), career school(s), and/or trade school(s) they selected in their processed application. If the student has not selected 20 schools, they have the option to search and select more schools, and, in some states, the student has the option to reorder the list of selected schools. In this scenario, the student wants to remove a previously selected school and add new ones. The student selects "Remove" for the listed school(s).

The screenshot shows the FAFSA 2026-27 interface for Student Charles Martinez. The progress bar indicates the 'Colleges' step is active. The section 'Selected Colleges and Career Schools' informs the student that these are the schools they've selected to receive the FAFSA form and provides a link to review the list. A green badge shows '3 out of 20 schools selected'. Below, a list of three schools is displayed, each with a 'Remove' button and a 'View Information' link.

Add Schools: College Search

After removing the school(s), the student selects "Search and Select More Schools" on the previous page and is taken to the "Colleges" search page. The student is asked to search for the college(s), career school(s), and/or trade school(s) they would like to receive the student's FAFSA® information. The student searches for a school by entering a state and a city and/or school name.

The screenshot shows the FAFSA 2026-27 interface for Student Charles Martinez. At the top, a progress bar indicates the steps: Personal Circumstances, Demographics, Financials, Colleges (current step), and Signature. The main heading is "Where should we send the FAFSA® information?" followed by the instruction "Search and select colleges and career schools." Below this, a note states: "If you can't find your school when searching by school name or state, try searching by School Code." A sub-note explains: "You must add at least one college or career school to the FAFSA® form. You can add up to 20 schools. Make sure to list all the schools you're considering, even if you're not certain you'll apply to all of them. You can add or delete schools on your FAFSA form later. [Find tips for searching for colleges or career schools.](#)" A green box indicates "0 out of 20 schools selected" with a link to "View Selected Schools". The search section has two tabs: "Search by State" (active) and "Enter School Code". Under "Search by State", there are input fields for "State" (containing "Texas (TX)"), "City" (optional, containing "Dallas"), and "School Name" (optional). A blue "Search" button is below these fields. At the bottom, there are "Previous" and "Continue" buttons.

Add Schools: College Search (Continued)

After entering a school's state and city and/or school name and selecting "Search," the student selects the correct school(s) from the search results. Students can send their FAFSA® information to a maximum of 20 schools.

Completion Date	Data Release Number	Estimated Student Aid Index (SAI)
06/25/2025	8720	-1500

The estimated SAI is subject to change based on final processing of your FAFSA form. The SAI is not a measure of how much student aid you'll receive or how much you'll pay for college or career school. Schools use your SAI to determine your federal student aid eligibility.

Based on the eligibility criteria, you may be eligible for a Federal Pell Grant of up to \$7395.00. You may also be eligible for other federal, state, or institutional grants; scholarships; and/or work-study programs.

What Happens Next

- Check Your Email**
You will receive an email version of this confirmation page at the following email address: 599888526test@testcon.enu.
- Receive Notification of Processing**
In one to three days, you will receive a notification by email that your FAFSA form was processed and sent to your schools.
- You Will Receive School Communications**
We use the information collected on your FAFSA form to calculate your Student Aid Index (SAI). The SAI lets schools determine the aid you're eligible to receive. Your schools will reach out to you if they need more information. They will also contact you with your financial aid offers. Once received, you can contact their financial aid offices directly to ask questions about their student aid packages.
