

NCASBO Scholarship Selection Criteria

The NCASBO Scholarships will be awarded to one of the following:

1. Applicants who wish to continue their professional growth through the NCASBO School Business Management Academy Certification Program.
2. Applicants working toward a special designation such as CPA, or Masters in finance/business.
3. Applicants working toward a 2-year degree in finance/business.
4. Applicants working toward a 4-year undergraduate degree in finance/business.

Applications will be judged based on the following:

- Completeness, accuracy and information provided on the application form.
- Strength of present/planned course of study.
- Strength of reference form.
- Strength of past coursework, if any.
- Degree to which the scholarship would aid in the professional growth of the applicant in the school business area.
