Make A Difference Day

There are approximately 5,000 children that enter foster care in North Carolina every year. Often, our youth enter care with only a trash bag containing their most precious possessions quickly accessed before being removed from their homes.

Strong Able Youth Speaking Out (SaySo), has worked the past 15 years to provide youth with their own bag of essential items for when they enter care. You can help make a difference in the lives of young people across North Carolina!

Our goal is to collect 5,000 hygiene items and duffel bags
