The American Academy of Pediatrics National is excited to offer a scholarship opportunity to support continued education and training on infection prevention and control!

Project Firstline is a national collaborative led by the U.S. Centers for Disease Control and Prevention (CDC) to provide infection control training and education to frontline healthcare workers and public health personnel. American Academy of Pediatrics is proud to partner with Project Firstline, as supported through Cooperative Agreement CDC-RFA-OT18-1802. CDC is an agency within the Department of Health and Human Services (HHS). The contents of this flyer do not necessarily represent the policies of CDC or HHS and should not be considered an endorsement by the Federal Government.

AAP will reimburse up to $1,000 to cover costs of the following:

- Education/training
- Present at a relevant conference or meeting

For more information or to apply scan the code below!
