Form current as of 4/13/17

NC AWWA-WEA offers many volunteer opportunities to fit a wide range of interests, levels of expertise and experience, and time commitments. Most of our volunteer opportunities take place through our committees, which are organized around a variety of industry topics and NC AWWA-WEA events. Please indicate which topics or activities interest you by selecting a related committee, and someone from that committee will be in touch to let you know about specific opportunities.

Please note that submitting this form is considered a request for more information, and does not necessarily add you to a committee roster or assign a specific task to you.

To submit this completed form mail or fax to the address or fax number provided above, or email to Rebecca Ague at raguie@ncsafewater.org. This form can also be submitted online at www.ncsafewater.org/page/Volunteer
