**Conflict of Interest**  The applicant must not be related to scholarship sponsors nor employed by such sponsors and not an employee of nor related to officer or director of NC AWWA-WEA, nor to any member of the Endowment Committee.

The Environmental Manufacturer's Representative Scholarship Fund is a scholarship fund that was established to promote the awareness of the essential role the Manufacturer's Representative plays in the environmental disciplines of water, wastewater, storm water, and reuse.

**Additional Scholarship Requirements**

Candidates for scholarships will be required to show interest in the Manufacturer's Representative role in the water industry by:

- Participating in an outreach program which requires them to visit with a NC Manufacturer's Representative Firm of their choice for one eight-hour day, and
- Demonstrate an active interest in environmental sales and marketing by taking electives in that area, and
- Applying for an internship with a Manufacturer's Representative Firm during the summer of their junior or senior year.

ALL APPLICATIONS MUST BE RECEIVED BY MARCH 26, 2021
2021-2022 The Environmental Manufacturer’s Representative Scholarship Fund Scholarship

How to Apply

All Applications must be submitted online at www.ncsafewater.org/StudentApplication

Forms All required forms, listed below, must be uploaded through the online system no later than March 26, 2021 for application to be considered.

Recommendation Letters Two letters from college instructors, at least one letter must be from an engineering instructor. Signed letters must be submitted online by instructors at www.ncsafewater.org/ScholarshipRecLetter

Essay Discuss reasons for choosing a career in engineering with a focus on water environment and what contributions you hope to make that will improve the water environment (Maximum 800 words)

Transcript Official transcript with college/university seal

Past Scholarship Recipients

2020 Lindsey Pegram, UNC Chapel Hill
2018 Lauren Tuttle, NC State University
2016 Eric Polli, NC State University
2015 Eric Polli, NC State University
2014 Sara Troutman, NC State University

ALL APPLICATIONS MUST BE RECEIVED BY MARCH 26, 2021

The North Carolina American Water Works Association and the North Carolina Water Environment Association (NC AWWA-WEA) is a volunteer association dedicated to providing water and wastewater education, training, and service in an effort to protect public health and the environment.
