

2018 Membership Annual Meeting July 13-15, 2018

NCVA Annual Meeting Schedule

Friday – July 13, 2018

1:00 pm: NCVA Education - open to membership
“Dealing with Change Without Going Up in Flames” – Denise Ryan

Professional speaker Denise Ryan is a motivational pyromaniac. Her infectious energy, humor, and enthusiasm will set a room ablaze. Denise motivates and energizes with her no nonsense, direct delivery coupled with her business savvy and humor – that combo leaves audiences laughing and learning actionable tips. The vending/food service industry is changing at an incredible rate – new technology, increased competition, changes in consumer preferences, and that’s just the beginning. This session “Dealing with Change without Going Up in Flames” will teach you a five-step process for dealing with change and it will examine all the different styles people use in dealing with change. Change is inevitable – this session will help you keep your sanity (and your sense of humor!) Consider yourself warned: FireStar programs are five-alarm scorchers.
