

Casemaker4

Quick Start Guide

All of your **searching** can be done here at the top of the screen. Choose your Jurisdiction/Compilations using the corresponding button and type your search in to get started. The search bar stays at the top of the page with the same Features Toolbar you are used to from Casemaker.

The screenshot shows the Casemaker4 interface with several callouts:

- Top Navigation:** A callout points to the top navigation bar containing links for HOME, CLIENT, FOLDERS, PRINT QUEUE, HISTORY, VIDEO, HELP, WEBINAR, LIVE CHAT, CART, and SIGN OUT.
- Search Bar:** A callout points to the search bar with the placeholder text "Type Your Search Here For: All States, All Compilations".
- Navigation Menu:** A callout points to the left-hand navigation menu, which includes options like State, Federal, Tribal Court, Compilation, and Archive.
- Libraries Page:** A callout points to the "Libraries" page, which displays a grid of state and federal jurisdictions. The callout text states: "Browsing the Casemaker collections can be done from the Libraries page here, or by using the Navigation Menu."
- My Account Menu:** A callout points to the "My Account" menu, which lists various user settings and profile management options. The callout text states: "Using the My Account menu you can create your default user settings and manage your profile information."
- Help and Support:** A callout points to the "HELP" link in the top navigation bar, with the text: "If you need any help, you can find the user guide and other materials here in the Features Toolbar, as well as contact our Customer Support team."
