BRIEF DESCRIPTION OF PROGRAM: Organization of a South Shore Dressage Club for high school students. On going as communication with some schools has been very tedious.

ASSESSMENT OF PROGRAM: Will get it running this year, if only in Cohasset and some students from surrounding towns.

FEED-BACK FROM PARTICIPANTS: None. Some excitement generate from those who want to participate including some hunter and western riders who want to try it.

RECOMMENDATIONS FOR THIS PROJECT IN THE FUTURE : Continue to go forward. Use information/planning/forms as models others can use in their towns. More info on NEDA web although I got no response from the notices I did post.

Please include a list of all project volunteers and their title or task.

SUMMARY: Currently, running on my own.
