MAIN SUPPORT STAFF: Nancy Marsh Terry		
DATE OF PROJECT: 4/12 – 10/12	ATTENDANCE: 42 AAs & 8 JRs/YRs	
NUMBER OF VOLUNTEERS: 63	NUMBER OF HORSES: 50	
COSTS: \$20.60	INCOME: \$4385.00	NET PROFIT (+)/LOSS(-): \$4364.40
BRIEF DESCRIPTION OF PROGRAM: 57 Instructors who have been invited by NEDA to be participants in the program donate 1 – 3 lessons each Oct-Nov. The proceeds benefit the USDF Region 8 Junior/Young Rider Team at the North American Young Rider Championships and other NEDA programs.		
ASSESSMENT OF PROGRAM: The Flextime Lesson Program is a worthwhile benefit for NEDA members based on the number of members it reaches. The proceeds benefit the entire organization. There were 7 more lessons assigned over 2011. The cost was increased from 45. To 50. per lesson for AAs and from 40. to 45. for JRs/YRs. The income this year was \$555.00 more than 2011.		
FEED-BACK FROM PARTICIPANTS: Overall, it is usually a positive experience for student and instructor. Some instructors express disappoint each year as their assigned students fail to follow through in scheduling a lesson.		
RECOMMENDATIONS FOR THIS PROJECT IN THE FUTURE : If an instructor is not signed up for 2 years in a row, their spot may be exchanged for someone else who is recommended for the program. Negative input from members may lead to an instructor being dropped.		
Please include a list of all project volunteers and their title or task. Nancy Marsh Terry – Flextime Lesson Program Coordinator; Instructor list attached Jennifer Dillon – Sends out Free passes for Spring/Fall Symposium to participating instructors, helps review possible instructor candidates Angela Prenosil & Debbie Carr-Kirk – Helps review possible instructor candidates Tracie Richardson – Publishes Flextime articles, forms and information in TIP of the Hat several times per year. Tammy Paparella - Maintains and updates Flextime information on NEDA website		
SUMMARY: 176 lessons were donated. 186 were signed up for, and a total of 50 were assigned, based on availability. Many instructors were over subscribed. A few instructors were not signed up for. Possibly because of their locations and proximity to most members.
