WEBINAR: Questions About Medical Cannabinoids in a State Where They Are Illegal

DATE: May 11, 2017
10:30 a.m. - 11:30 a.m. CDT

CONTENT

This session will review the unknowns about medical cannabinoids (marijuana). Factual information will be provided so that you may make a determination about what is best for your setting and situation. Insights will be provided on the legal ramifications of this product's use in Nebraska.

OBJECTIVE

At the completion of the webinar, the alert attendee should be able to:

1. Explain current Nebraska law concerning medical cannabinoids.
2. Recognize known medical uses in states where these products are legal.
3. Determine how to craft policy about medical cannabinoids.
4. Talk to patients and family members about medical cannabinoids.

AUDIENCE

This webinar is appropriate for all in assisted living facilities, nursing facilities, and hospice agencies.

SPEAKER

Allison Dering-Anderson, BA, PharmD, RP, Clinical Assistant Professor, University of Nebraska College of Pharmacy, Omaha, Nebraska
