**Mentees** can create their profiles and indicate that they are looking for a **WIN leader** and/or **Woman in 9-1-1** mentor by searching for such qualifiers in the “Area of Interest” list, or by entering the terms in the keyword search and searching the database of matching mentors.

If there is a specific Mentor or Mentee, a member is interested in connecting with, the member can search either database and initiate a contact request.

Last updated: March 16, 2020

**Current location:** West Des Moines, Iowa, United States  
**Current employer:** Westcom Emergency Communications  
**Current position/title:** Dispatcher

### Summary

Looking for a veteran dispatcher to help me navigate this career that I chose. I am quickly approaching my 2 year anniversary and I intend to be doing this for many years to come. I realize that it would be beneficial to have someone outside my center who knows what it means to be a female coming up in this industry.

**Current Position Level:** Entry level

**Years of experience:** Less than 5 years

**Area of interest:** Administration, Business Development/Sales, Business/Strategic Management, Customer Relationship Management, Education/Training, Government and Public Administration, Hospitality, Human Resources, Legal, Marketing/Product, Non-profit/Social Services, Project/Program Management, Public Relations/Communications, [WIN Leader](#), [Woman in 9-1-1](#)

**Organization type:** Emergency Communications Center

**Additional resources:**
