

# BULLETIN

## NFRC – Technical Bulletin 2018-10 (Information Only)

This bulletin is notification of publication of NFRC 101-2017 that may be used immediately.

### NFRC 101-2017\_E2A10

A change was made to Appendix C to add materials for ADCO Products and Durango Doors. The expiration date for a Covestro material was also updated.

The revision may be found in the [NFRC 101-2017\\_E2A10 addendum log](#).

Non-members may access the document via the [Technical Documents](#) page.

Please be aware that only materials listed in NFRC 101 shall be used for product certification.

If you have any questions concerning the information in this *NFRC Technical Bulletin*, please contact [Steve Urich](#), NFRC Director, Programs, at 240-821-9514.

National Fenestration Rating Council

*NFRC envisions a future where every window, door, and skylight purchase decision is made using the NFRC label to evaluate energy performance.*
