Ballots for the Spring 2019 Committee Meeting are now open!

The National Fenestration Rating Council (NFRC) committees and subcommittees have prepared thirteen ballots for membership review, vote, and comment. NFRC encourages members to participate by reviewing the documents and voting forms on its community site and submitting their feedback.

Ballots close Thursday, February 28, 2019.

Access Ballots Here

Registration is Now Open!

Join NFRC and the fenestration community in Baltimore, MD for the 2019 Spring Committee Meeting #NFRCMeetings.

Early bird registration is available until February 25, 2019.

The draft schedule and details is now on the Meeting Resources Page.
Stay tuned for some innovative news.

Register Today

Volunteer Leaders Network (VLN)

This year, the VLN will have its own track on Monday morning. Make sure to either select the ticket when you are registering for the meeting, or if you have already registered for the meeting, click here to register separately.
The sessions will include:

**Brand Ambassador**

1. The Dos and Don'ts of representing NFRC
2. Tactics to improve your communication skills
3. Skills to increase your confidence as a public speaker
4. How to be more persuasive

**Radical Candor**

*Difficult Conversations | Using Kim Scott’s groundbreaking text “Radical Candor”*

In this two-hour workshop, participants will learn how to **Challenge Directly** and show you **Care Personally** at the same time - a critical component to successful boardroom deliberations.

---

**Mission Possible – Celebrating NFRC’s 30th Anniversary**

**30 Voices for 30 Years**

Our second story of 30 Voices in 30 Years campaign, **GED Marketing Communications Coordinator Laura Fiegelis** describes the Power of NFRC Ratings.

[Click here for our second story](#)

---

**NFRC 30th Anniversary Podcast**

NFRC's **Deb Callahan**, CEO and **Paul Bush**, Chairman of the Board, sat down and discussed **30 years of providing energy performance ratings** and how a new mission and vision is advancing the move towards sustainability.

FenStar® Certification License Agreement

Attention FenStar® Licensees, all manufacturer folders have been created on the FenStar Document Uploading SharePoint. If you have not received the Welcome Letter from FenStar Staff or are having issues accessing your document uploading folder, please contact FCP@nfrc.org for assistance.

Please begin uploading the required documentation (outlined in the checklist attached to the welcome letter) for FenStar certification as soon as possible. We are currently certifying product lines from participants who have uploaded all required certification documentation. FenStar Staff will be reaching out to all participants who have either not uploaded the required documents or are missing elements required for certification.

If you have not yet signed and returned your FenStar License Agreement, your organization has been reported as a non-compliant partner to ENERGY STAR Enforcement. If you feel this is in error or have any questions, please contact FCP@nfrc.org.

The license agreement can be downloaded HERE and should be signed and returned via email to FCP@nfrc.org.

Trade Shows / Conferences

NFRC will be at The International Builders' Show (IBS). Come visit us at booth SU1859, learn more about how design-build professionals are integrating fenestration products with new technology, new ideas, & new ways of making homes & buildings more sustainable.
