

BULLETIN

PCP Bulletin - NFRC 700

This bulletin is notification of publication of NFRC 700 that may be used immediately.

NFRC 700-2019_E0A1

Changes balloted and approved by NFRC membership at the 2019 Spring Committee Meeting, March 27, 2019, in Baltimore, MD, are now published for immediate implementation.

Non-NFRC Members may obtain the documents by clicking on this link to the [NFRC Program Documents Page](#).

If you have any questions concerning this Bulletin, please contact [Steve Urich](#), Director of Programs.

National Fenestration Rating Council

NFRC envisions a future where every window, door, and skylight purchase decision is made using the NFRC label to evaluate energy performance.
