

Residential Component Based Calculation TG

March 27, 2019

Agenda

- Grid Add-on
- Simulation Manuals
- Training
- Other Tasks
- Implementation

Grid Add-on

- The RCBC Task Group recommends not including a grid add-on performance rating.

Simulation Manuals

- Simulation WG, chaired by Steve Coble
- Developing the RCBC simulation manual
- Revising current simulation manual
- Complete prior to training

Training

- Staff developing training program
- Understanding RCBC (Phase I) – online
- Applying Methodology (Phase II) – f2f

Other Tasks

- Product Code WG
- Software Update
 - THERM
 - CPD

Implementation

- ANSI Document balloting
- Administer pilot program plan
- Sunsetting of current methodology
- Full implementation
