NFRC is fortunate to have many extremely knowledgeable and willing volunteers that have stepped up in the past and continue to put their names forward for opportunities to serve and this year has been no exception.

If you would like to be informed about new volunteer opportunities, please add your name to our [volunteer rolodex](#).

Additionally, whether in the immediate future, or five years down the road, if you are interested in service at the board level, [please submit this form](#). This will help NFRC to work with our volunteers and if necessary work with individuals to develop the skillset for this opportunity.

Again, thank you for your continued support and as always please feel free to

reach out to me with any questions or concerns.

Sincerely,
