

National Fenestration Rating Council Bulletin

www.nfrc.org

October 4, 2013

Subject: NFRC – PCP Bulletin 2013-04 (Action May Be Required)

This bulletin announces publication and implementation of the [NFRC 700-2014: Product Certification Program](#).

The NFRC board has approved the NFRC 700-2014 document, which was reaffirmed, published, and implemented. It is available on the [NFRC website](#).

- Summary of the NFRC 700 Board-approved changes:
 - Ballot from the Spring 2013 Committee Week
 - Glazing Description on Temporary Label:
 - Clarification of the intent of allowing proprietary/trade names on the temporary label.
 - [Ballots](#) from the fall 2013 membership meeting
 - Requests from Reorganization Ballot
 - Minor revisions to the program's language so that the intent is clear
 - Air Leakage Test Certification Cycle
 - Defining the certification cycle of an air leakage rating when a test report is submitted for approval in an NFRC CPD product line
 - Product Line Extension Ballot
 - Modification to language to extend a product line's certification which will be replaced by a new product line.
 - Removed Components
 - Whole fenestration products rated prior to a component removal from NFRC approved lists, shall remain as "approved ratings"
 - Permanent Label
 - Removed the requirement of permanent labels on applied films
 - Plant Inspection Reports
 - Removed the requirement for IAs to copy NFRC on plant inspection reports

Non-NFRC members can find the documents [here](#).

This bulletin can be downloaded [here](#).

Contact [Sherri Wendt](#) at 240-821-9516 with any questions.

NFRC is the recognized leader in energy performance rating and certification programs for fenestration products. Visit *NFRC News Now* for the latest fenestration-related information.

Make sure NFRC is on your Approved Sender's list to continue receiving bulletins, billings and other important NFRC e-mails.
