

2019 STUDENT RESEARCH POSTER COMPETITION GUIDELINES AND DETAILS

The American Water Works Association New Jersey Section (AWWA NJ) invites all students attending New Jersey colleges/universities to submit entries for the Research Poster Competition at the AWWA NJ Annual Conference. This research poster competition is an excellent way to showcase university research, senior projects, thesis work, or classroom projects with a professional audience.

Posters will be displayed and presented at AWWA NJ Annual Conference at the Borgata in Atlantic City on Wednesday, March 20, 2019 from 8:00 am to 4:00 pm. Students will have the opportunity to present their work to a panel of judges and answer questions from interested colleagues.

General Guidelines

- Posters shall be related to the water industry. Examples of topic categories include, but are not limited to:

Water Treatment	Microbiology	Pollutant Reduction
Filtration	Distribution Systems	Groundwater Treatment
Disinfection	Hydraulic Modeling	Membranes
Infrastructure Management	Operations/Maintenance	Watershed Management
Water Cycle	Unit Processes	

- Posters shall include graphs, tables, photos, illustrations to demonstrate research
- Presenters shall arrive in business attire on the day of the competition
- Poster size shall be no larger than 24"x36"
