

American Water Works Association New Jersey Section's

Committee presents the 13th Annual “*Turning Wine Into Water*” Wine Pairing Dinner to benefit Water For People.

Water For People (<http://www.waterforpeople.org>) is a registered 501(c)(3) international nonprofit organization that exists to promote the development of high-quality drinking water and sanitation services, accessible to all, sustained by strong communities, businesses and governments. Water For People's vision is a world where every person has access to reliable and safe water and sanitation services.

Donor Registration Form – If making a monetary donation, please make Checks Payable to “**AWWA NJ**” with “**Water For People**” in the notes section.
