

## Minnesota Mandate: Masks Now Required In All Indoor Public Places

Effective at 12:00 am on Saturday, July 25, 2020, all Minnesotans are required to wear a mask and/or face covering when inside a public building and/or area and whenever social distancing cannot be maintained. This includes places of business, such as retail operations.

NLA is here to help, we've got masks for you, your staff and your customers! We have everything from disposable options, to breathable, washable masks. Here are some examples, but we welcome members to get creative and send us design ideas!

Prices as low as \$1.70 each, see details on quantities and pricing [HERE](#)
