Multi-Ply Face Mask

Made in the USA

Multi-Ply Face Mask made of 3 different layers of material. 3 ear slots, so one size fits most teenagers and adults. This mask should be used for protection from large particles of hazardous fluids while protecting the wearer from respiratory emissions. Washable and reusable!

NOTE: Hand wash daily in warm soapy water.

DISCLAIMER: Our masks are not intended to be used (1) in any surgical setting or where significant exposure to liquid, bodily or other hazardous fluids may be expected; (2) in a clinical setting where the infection risk level through inhalation exposure is high; (3) as a respirator or to filter small particles in the air; or (4) as a replacement for conventional or approved personal protective equipment, including surgical masks or respirators. No guarantee that masks prevent infection or the transmission of viruses or diseases.
