Northwestern Lumber Association is teaming up with Building Supply Channel Inc. to provide members with a custom learning management system, LumberTech Online. With over 170 topics, dealers can use a flexible monthly subscription to provide employees easy access to industry training courses. Managers are able to evaluate skills, track training progress, and view test scores!

**Training topics include:**
- Building Materials
- Business Administration
- Computer Skills
- Customer Service
- Doors
- Estimating
- Exterior Finish
- Framing
- Hardware & Fasteners
- Insulation
- Interior Finish
- Math
- Millwork
- Moisture Control
- Outdoor Construction
- Purchasing
- Selling Skills
- Structure & Design
- Supervisory Skills
- Windows
- Yard & Warehouse

**Bonus for NLA Members!**
NLA will be adding new content to expand to course catalog, including more courses on yard basics, customer service and business management.

Northwestern Lumber Association can help set up your company account and add your employees to the platform for a small additional fee.

Ask an NLA rep for more details on our set-up program.

Contact the NLA office for pricing for more than 10 seats.

It’s easy to get started!

STEP 1 - Register your company on the LumberTech Online Learning Management System.
  - Go to https://www.lumbertechonline.com/
  - Click on Get Started - Register New Company

STEP 2 - Add employee information to your account.

STEP 3 - Subscribe to the number of seats you would like to purchase.

STEP 4 - Check out.

STEP 5 - Assign seats to the employees you want to train first.

STEP 6 - Choose courses each employee is required to take.

You’re ready to start training!

Seats licenses are transferable allowing you to train up to 12 individuals per year, per seat. (seats can be transferred once a month)

To learn more and sign-up for the LumberTech Online Learning Management System, contact the NLA office at 888.544.6822.
